

Kitchen rental (General)

Rental of the Colombier de Villecroze kitchen

Your tailor-made event

We propose to rent our kitchen with or without our dining rooms (kitchen and / or room 35m² and / or 80m², equipment, dishes ...) for 4 hours or more, for the evening, or even to the day.

The rental of this professional kitchen will allow you to prepare your dishes and / or receive your customers and partners in the best conditions: functional and equipped, it will be ideal to prepare your events both internally (private events, professionals ...) and externally (customer nights, product presentation or press ...).

Privatize this place and welcome your customers and influencers, organize a photo shoot, videos ... of

your dishes. Perfect place also for the organization of ephemeral events like vernissage, presentation of new products, formations

Chefs, passionate amateur cooks or caterers: Prepare your services and creations in a kitchen designed with a piano, 2 refrigerators and 2 freezers, a dry storage space ... in short, a professional kitchen perfectly equipped and adapted to your needs.

You want to test a new product, perfect to bet on a new kitchen, not binding over time and non-binding by rent, the ephemeral restaurant Colombier is a format which will suit you! In addition to having multiple benefits for the brand or the cook who rent it, the ephemeral restaurant is the object of desire of all consumers, both tourists and Var. The difficulty ? Find it ! Indeed, the constraint of an ephemeral restaurant is to be able to rent a space to standards, making cooking possible. No standards and no permits of operation: no restoration! Nothing is impossible for the COLOMBIER who can you help...
